Company: Group Itron

Location: Belgium

Category: business-and-financial-operations

At Itron, we're dedicated to creating a more resourceful world. Together with our customers and channel partners, we work to improve the quality of life, ensure safety and promote the well-being of people everywhere. Itron enables utilities and cities to safely, securely, and reliably deliver critical infrastructure and services to communities in more than 100 countries. Our proven portfolio of smart networks, software, services, meters, and sensors helps our customers better manage energy and water for future generations. The work we do everyday matters. Reporting to the Sales Manager of France and Benelux countries, you will be based remotely within a human-sized commercial team. After learning all about our internal processes, the markets, and our complex Solutions (including Smart metering, Water Operations Management, and Smart city solutions), your main responsibility will be to sustain and expand business activities in the BeNeLux region (Belgium, Netherlands and Luxemburg co...
