

Account Manager R24 (m/f/d)

[Apply Now](#)

Company: RUTRONIK Electronics Worldwide

Location: Belgium

Category: business-and-financial-operations

Your role:

You have independent responsibility for supporting an existing group of customers in all commercial and technical matters

You continuously develop your sales region on the basis of strategic customer planning and the focused acquisition of new customers

You maintain close contact to customers and experts with the assistance of our technical specialists already in the design-in phase to lay the groundwork for later sales success

You will use your sales talent and your excellent communication skills

Your qualifications:

You have sales experience, it would be an advantage for the induction if you are familiar with electronic components

You are a good team player and have strong interpersonal skills

You have gathered initial experience in sales or distribution

You have an active customer focus

You are a good team player and have strong interpersonal skills

You have strong organizational, analytical and problem solving skills

Interested? Simply send us your application (online),
specifying your salary expectations and period of notice.
