Associate Business Consultant

Are you looking for an IT career where you are part of a team of Platform-as-a-Service (PaaS) specialists? Do you want to start showcasing your expertise and learn to deliver true value in customer's digital business challenges and learn to deliver jaw-dropping ServiceNow projects? Then this job as Associate Business Consultant is the perfect one for you!

What will you do?

As an Associate Business Consultant, you will become part of a team of enthusiastic Platform-as-a-Service (PaaS) specialists. You will work on high-impact and challenging projects at large national and international organizations in the financial, energy, telecom and high-tech industries. You will be based in our office in Mechelen, Belgium or at the customer premises.

All of our consultants do project-based work, where the emphasis is on delivering value to our customers. In this role, you will be instrumental in bridging the gap between our technical solutions and bringing business value to our clients. Your primary responsibility will be to translate and implement innovative business strategies using the NowPlatform for our clients. You will work closely with our technical teams to ensure the seamless integration of our solutions into the client's business environment.

To do your job properly, we offer you ongoing training courses and coaching to ensure you have adequate skills in the area of Platform-as-a-Service. The experience of our colleagues and partners will also be of great help in gaining more knowledge. In addition, you get the

opportunity to directly contribute to the success of the company. The experience of our colleagues and partners will also be of great help in gaining more knowledge. In addition, you get the opportunity to directly contribute to the success of our company.

We ask

A Bachelor's or Master's degree in Computer Science, Information Technology, Electronics and Communications or any related field.

Proficiency in English. Dutch & French is a big plus!

0-3 years of experience in a consultancy environment, preferably with exposure to IT projects and Enterprise Software.

Familiarity with ITIL principles is a plus, and candidates with a ServiceNow ITSM certification will be considered favorably.

Basic experience in delivering presentations and communicating solutions to clients.

Willingness to actively learn and contribute to the company's solutions portfolio by leveraging knowledge gained from projects.

What's in it for you

Modern Laptop

Transportation, internet and phone allowance

Company car

Group insurance

Medical insurance

Digital meal vouchers

Home office allowance

Freedom to implement your own ideas and strategies

A modern, flexible and multicultural workplace at an innovative and global company

Ambitious and kind colleagues from all over the world

A challenging position with lots of room to grow

Our culture

Working at Plat4mation evolves around working from your internal drive to make a difference for people in combination with having fun. We always go the extra mile to deliver on what we promise! Joy is what connects us and what drives us to get the best out of ourselves. That's why we host several Fun4U activities each year, like a global hackathon, drinks and inspiring lunch sessions (check out our !).

Your development is our number one priority. This means you get room to grow. We strongly believe that personal development and ambitions are key to our company's success. Because when you keep learning, you continuously improve yourself. That's why we coach you on the job, but also help you to explore and develop your interpersonal skills.
