Location: Brussels

Category: computer-and-mathematical

Responsibilities

We are currently recruiting economists at the Associate Principal and Principal level for our Brussels office. We are interested in hearing from Masters, PhD candidates as well as experienced Consultants who have prior consulting and competition policy experience.

Candidates, will be expected to rapidly take on genuine responsibility, assisting Vice Presidents and other senior staff by providing conceptual and practical input to competition case work as required. The role brings with it the possibility of working on some of the largest and most significant competition cases in Europe, playing a key role in the shaping of the cases.

Qualifications

Candidates for these positions must have a good first degree in economics and a postgraduate qualification (MSc/MPhil or PhD/DPhil) in economics from well-regarded institutions.

They should have a strong foundation in microeconomics, preferably with a specialisation in industrial organization and/or statistics/econometrics, and be able to demonstrate the personal qualities that make a successful consultant.

Senior candidates should be able to demonstrate an ability to manage more junior colleagues and to have extensive client contact at an early stage.

Fluency in French, German and/or Dutch is an asset
