Table of Contents

Are you an expert within **Advanced Therapy Medicinal Products(ATMPs)** and passionate by helping companies in this area in their growth? Apply now for the job of ATMP specialist at QbD!

As a QbD ATMP specialist you will be working on several projects and you will become a member of our ATMP core team. You are a communicative versatile person, capable of solving problems, investigating root causes and implementing changes.

What do we expect from you as a ATMP Specialist?

Provide scientific input into development strategies for ATMPs and other biological products

Lead & participate in project teams, manage projects (scope, timelines, budget), and manage CDMOs (on behalf of clients)

Perform Due Diligences and GAP analyses of the (analytical) data of candidate drugs and advise on next steps

Participate in multidisciplinary Drug Development teams

Author and review CMC. Qualification and Validation plans, protocols and reports

We expect you to follow regulations on ATMP's and **share your insights/knowledge** within the QbD team and at our customers

Provide **hands-on and technical support** to the manufacturing of Cell- and Gene Therapy products for clinical trials

Act as expert in Cell- and ex vivo Gene-Therapy.

Who are we looking for?

Scientific master's degree engineer (bio, industrial, civil), industrial pharmacist, ...

Experience in the life science industry and preferably in ATMP projects

Experience in **plasmid and cell banking** (master cell bank, working cell bank, cell line development) and process development including scale-up/ scale-down principles is required (**upstream and/or downstream processing**)

Experience in gene therapy manufacturing is an asset

Experience in clinical development (Phase I/II)

Knowledge of cGMP manufacturing guidance and experience with technical investigations and root cause analysis.

Good **project management skills**

A true **QbD'er** can be recognised by the following qualities: Resilient: Your strong and positive attitude helps you overcome any challenge Hungry for knowledge: You are always open to learning No BS mentality: you can be straightforward in a respectful way Innovative: You are constantly looking for new and better solutions (Not too) serious: your job is serious, but you don't take yourself too serious

What does QbD Group offer you?

An attractive and complete salary package:

A monthly wage, car, fuel card, (super fast) bicycle, insurance package, meal vouchers, etc.

But most of all...

We offer **sustainable careers** and **meaningful connections**

We are a **knowledge-based** company

You'll work for an **award-winning** company: Best Managed Company (Deloitte award),
Baanbrekende Werkgever, ...

Our promise to you:

As an **ambitious and pioneering company**, we want to offer you **the best possible environment to thrive** within the life sciences.

Moreover, we aim to create a **joyful** community where you dare to be and can be yourself.

Because the best way to grow is by **growing together as unique individuals**.

In short ... We stand for **JPEG Joy in Partnership**, going for **the extra mile to get things done!**

Interested?

Send us your CV and motivation letter and who knows, maybe you'll find your #QbDream job.
