Belgium Title Business Development Manager

Remote: Belgium

Line of Business Player Support

Salary: Highly Attractive + Bonus / Incentives

Pole To Win is looking for a Business Development Manager to develop relationships and grow new business revenue within the video games industry. This individual will be a dynamic and highly motivated sales manager, who will cultivate and build long term relationships with new clients, close new business, liaise with decision makers, negotiate service contracts and manage client relationships.

This position is perfect for an engaging, personable, enthusiastic and results-orientated individual, with a passion for video games and helping developers through post and pre-production services. Growth will be driven through growing and managing relationships with a dedicated client base through creative solutions matching to developers needs. The successful candidate will have a track record of exceeding KPI's through cultivating and growing relationships.

This is an individual contributor role and can be remote but you must have experience within the gaming industry.

What you'll be doing

Generating new business / large new logo business within the European region with a focus on player/customer support and community management solutions or game development, Player Support, Art Outsourcing, LQA, QA services.

Creating a client base through content lead outreach campaigns and develop and execute contact strategies including cold calling, social and business networking.

Developing a partnerships strategy in partnership with other key stakeholders in the business and attending client meetings, presentations, trade shows, etc.

Managing the full sales cycle from prospecting to closing and working collaboratively with the delivery teams to create effective solutions for each new client.

Identify new prospective clients, and develop and execute sales development strategies for these and develop net-new business sales to agreed sales targets

Qualify all sales leads, provide value/benefit assessments, and generate plans to close, and work with the service delivery teams to create quotations for new and existing customers.

Requirements

What we're looking for

Experience selling customer services, outsourcing services, or adjacent services - ideally player support, community, and related tech products and services to different stakeholders at all levels of target organizations. Alternatively, having experience selling game co development, art outsourcing, Player Support, LQA, QA, services.

Proven track record of exceeding targets through building strong client relationships or significant experience of selling game service solutions to gaming clients.

A network of gaming industry contacts is essential.

Effective time management and must be comfortable working at senior executive contact levels.

Must be self-motivated and able to operate in a remote environment whilst traveling when required.

Must have dedicated workspace if working from home.

Experience managing a revenue pipeline with excellent presentation, communication, and interpersonal skills.

Ability to forecast opportunities, be self-motivated, organised, with a passion for gaming.

An organised individual with a passion for gaming.

Benefits

Competitive basic salary

Working with people creating cutting edge interactive entertainment

Excellent OTE with % based commission package

Group pension scheme and death in service benefit

Dynamic and entrepreneurial culture

Video games focused environment

The opportunity to work with video games pioneers creating cutting edge interactive entertainment

Who we are

PTW is a boutique games services company that provides custom solutions worldwide. We believe in accelerating innovation across the globe. We started more than 25 years ago and since then, have grown exponentially year-on-year to who we are today. Our history is in gaming, and we are still gamers at heart. In our time within the games industry, we have worked on over 1,500 titles across all genres and all platforms.

We have grown rapidly over the past few years and now have 16 sites spanning the globe. The PTW umbrella of companies includes SIDE, 1518, OR Esports, and Entalize. SIDE works at the cutting edge of interactive media as a provider of audio services for the global entertainment market. 1518 is known industry wide for world-class art and is also our in-house game and product development studio.

Basically, anywhere in the world, any platform, any genre, we can help come up with a custom solution to make games run better, get to market faster, and enhance the lives of more players.

In summary, we connect and bring fun to the world.

Welcome to PTW
