Company: AXA Belgium

Location: Belgium

Category: computer-and-mathematical

In Belgium, AXA is market leader in non-life insurance. We have more than 3,000 enthusiastic employees whose aim is to move from payer to partner for our 3 million clients. Our employees are our greatest asset. Therefore, a pleasant and modern working atmosphere is crucial to us. Together we seek to foster a diverse and inclusive culture where thoughts and ideas are valued, respected and appreciated. With every step we take, we keep our values in mind: Customer First, Integrity, Courage and One AXA. As leader in Belgium in the Corporate market, we have a complex landscape of processes and applications The IT P&C Corporate Claims team is responsible to provide and support mainly mainframe applications that handle Claims related to Corporate contracts but also all the person-related work accidents You will work as Business Analyst in the P&C Corporate Claims team where you will be fully assigned to activities related to projects & maintenance. With our Claims business stakeholders, yo...
