Business Analyst Location **MECHELEN** Zandvoortstraat C45 B-2800Mechelen (BE) Description Work closely together with our implementation consultants and help them in re-engineering their customer business needs against our product offering. Gather requirements in close collaboration with our business consultants and customers. Make new analysis in order to extend the functionality in our solution offering. You will translate business requirements into product specifications detailing enhancements and extensions to our product. As a business owner you will be responsible for and participate in the full development process from requirements gathering, analysis and development to testing and documentation. You will work together with our development and quality assurance teams in order to deliver high quality software, on time and within budget. You will work in a Agile environment.Required Skills Strong ability to abstract and to translate business requirements in IT. At least 2 years' experience with at least one of the following: Creation of functional analyses based upon a high-level scope definition. Application(s) with a 3) tier development structure. Knowledge of banking business, in particular wealth or asset management is absolutely an asset. University degree (or equivalent through experience) in: Informatics, Mathematics or Applied Mathematics, Applied Economics with specialization informatics. Personal ProfileExcellent verbal and written communication skills in English and Dutch/French. Passion for quality, you use high standards and you aim to achieve them. Willingness to work pro-actively and are driven by results. Open to identify and respond to the customer's needs and wishes. Team player, flexible, accurate, with a hands-on mentality. Ready to take ownership. Eager to travel occasionally. Contract & Compensation Permanent employment. Excellent remuneration

pack (Group insurance, Hospitalization insurance). What We Offer A challenging and progressive position within an international work environment. Privacy: Please read the privacy policy pursuant to Article 13 of the Data Protection Regulation (EU) 2016/679 (GDPR) published on our website <https://www.objectway.com/privacy/?lang=en>. Equality Policy We are an equal opportunities employer and we welcome applications from all suitably skilled or qualified applicants, regardless of their race, sex, disability, religion/beliefs, sexual orientation or age.
