

CNC turner | Kachtem

[Apply Now](#)

Company: Adecco

Location: Izegem

Category: production

We are looking for a CNC turner for our customer in Kachtem. You will be employed to turn large pieces such as engine blocks for trucks, ships etc.. You will work in a neat working environment equipped with the most modern machines. Each workstation has its own overhead crane, so lifting and hoisting are not an issue.

This company is constantly committed to large projects and already has a filled order book until the end of 2030!

Job duties:

- supplying machines with the raw materials
- Setting up the machines
- Adjusting the machines: changing tools

Profiel

- You speak Dutch and/or English
- Reading plans is no problem for you
- You have a school education or first work experience in the sector

Aanbod

FIXED CONTRACT

- Full-time employment
- Choice of different working hours: day work, fixed morning, fixed afternoon, 2 shifts, night work

- Salary: negotiable according to experience

Why choose this client?

- Job security!
- Ultra modern machinery
- Low staff turnover = good employer who takes care of their personnel.

Interested in this vacancy and/or want more info? Then contact Adecco Kortrijk immediately.
