Welcome to our Philip Morris vacancy. Did you know that Philip Morris International is undergoing a revolutionary business transformation? We will be far more than a leading cigarette company. We want to change society and deliver a smoke-free future. Thanks to the imagination and perseverance of thousands of people at PMI, we have developed smoke-free alternatives to cigarettes. And it does not stop there. We are investing in a portfolio of innovative products beyond nicotine. So, whether in new product development, commercialization, operations, science, you name it, we are putting our vision into reality every day and make the change happen, right now. Do you want to be part of this transformation? Do you want to join our team of optimistic people to build a new future? To strengthen our team, we are currently sourcing Field Force Planning & Communication Executive (NL) to contribute to success of our conventional brands & Smoke Free Products. Your challenge is to closely collaborate with different stakeholders in order to connect all the ongoing commercial projects/initiatives and translate them into activation plans including fitting communication for your stakeholders. The key projects are linked to new launches, program deployment, portfolio optimization & Multicategory trade engagement & commercial initiatives. Your Key Stakeholders will be Field Sales NL & the Marketing teams. You will also have the opportunity to further optimize existing planning & reporting processes. The position of a Field Force Planning & Communication Executive will help you to enhance your experience in multi-category projects, deployment of commercial initiatives and cross-functional collaboration. You will work together with a dynamic, passionate team and in a professional setting. Are you the person we are looking for? If

so, then please continue reading. Responsibilities of the role: •Stakeholder management, foster alignment with all the different departments & stakeholders in order to define the best solution •Project management & support, briefing all stakeholders to ensure all activities will be executed and communicated in an efficient and effective manner •Internal communication, create understanding towards back office regarding the front office needs, dynamics and executions. You'll be our ideal candidate if you have: •Excellent planning skills •Strong priority setting & agility skills •Natural collaboration skills (stakeholder management) •Communication & alignment skills •Fluent in Dutch & English is required (both written and spoken) •Passion for customer centric working •We want you to bring your ideas, your motivation and desire to succeed How does this sound? If you are interested, then please apply via the 'apply now' button What will the selection process look like? Talent Acquisition (TA) will perform an initial screening to assess whether candidates match with the defined vacancy requirements. If this is the case, the candidate will be invited for 2 competency-based (virtual) interviews. In parallel, you will be asked to complete online assessment tests*. At the end of the process, each candidate will receive the assessment results, as well as actionable feedback for their further development.
