You will get the opportunity to contribute actively to our knowledge creation and exchange (workshops, publications, seminars,...) within the business units of the different industries we serve.

Equipped with the entrepreneurial fibre, you are ready to collaborate with us in a fast growing company.

In return, you can expect:

An international company that gives importance to diversity, inclusion, employee well-being and corporate social responsibilities actions.

A great working atmosphere with friendly and professional colleagues where innovation and entrepreneurship are encouraged

A personal development plan with a regular follow-up as well training opportunities to develop

yourself

A competitive salary with great advantages, like mobility budget, hospital insurance, performance -related bonus,...

Qualifications

University Master Civil Engineer or Commercial Engineer

0 to 3 years' experience as a consultant

Outstanding collaborative team player and good communication skills

Strong interest in Insurance

Analytical mind, exploring options and able to synthesize into conclusions

Autonomous, dynamic, result oriented, rigorous and committed

Languages: Dutch and English.

Prepared to participate in temporary assignments abroad (e.g. France and The Netherlands)
