

CUDA Expert

[Apply Now](#)

Company: IC Resources

Location: Leuven

Category: other-general

PLEASE NOTE, RIGHTS TO WORK IN BELGIUM ARE ESSENTIAL FOR THIS VACANCY

An exciting opportunity for a CUDA Expert has arisen with a well-funded fabless semiconductor start up, developing holographic chip technology, based in Leuven.

This is a great opportunity for a CUDA Expert to be part of the core software team for holographic displays, focusing on CUDA programming to power state of the art algorithms for the generation of holograms with the latest hardware.

You will commit to a hybrid working model.

Experience of the CUDA Expert will include:

- BSc or MSc in Computer Science

- Minimum 5 years of CUDA experience

- Good understanding of C++

- Cross application development including Linux, Windows and Mac

- Fluent English

If you are a CUDA Expert looking for an exciting new challenge within a company

working on cutting edge technology, then please apply today to learn more.
