A subsidiary of the ArcelorMittal Group, Industeel is a global leader in heavy plates made of special steels, stainless steels, or nickel-based alloys. We employ over 2000 people across 3 major production sites located in Belgium and France.

Mindful of the socio-economic challenges of its time, Industeel is also the producer of heavy plates with the lowest CO2 footprint in the industry, and a supplier of special plates required for energy transition in several of its end markets.

Diversity and Inclusion :

Solutions is committed to building an inclusive workplace that promotes and values diversity and is welcoming of people of all backgrounds. We are convinced that a workforce that feels respected and empowered to bring their full, authentic selves to work will lead the way on innovation and bring agility, perspectives and experiences to contribute to our success.

For us, diversity means a workforce reflective of different cultures, generations, genders, ethnic groups, sexual orientation, nationalities, abilities, social backgrounds and all the other unique differences that make each of us individuals. Inclusion is about creating a work environment where everyone has the opportunity to fully participate in creating business success and where all employees are valued and respected for their distinctive skills, experiences and perspectives.

Our commitment to diversity and inclusion will guide our hiring, our workplace culture and customer service.
