

Data Science Consultant

[Apply Now](#)

Company: OMP

Location: Belgium

Category: computer-and-mathematical

Your challenge

>

Your team

As a Data Science Consultant, you'll join the Data Science team as part of the Product Development team. Product Development consists of specialized teams that focus on a specific domain such as demand and supply planning, user experience, data science, integration, solvers, and more. These teams drive our product road map, share OMP's vision and expertise and create smart, robust, and scalable software solutions that solve our customers' complex supply chain planning challenges.

Your profile

We are looking for someone who meets the following qualifications:

A Master's degree in Statistics or a similar quantitative discipline with a strong focus on statistics. A PhD is an advantage.

Practical experience with predictive modeling, time series analysis, and forecasting.

Familiar with techniques like multivariate linear regression, exponential smoothing, ARIMA, and machine learning.

A sound knowledge of scripting languages such as R and Python.

A 'can do' attitude in challenging environments when dealing with variable data quality and quantity.

The ability to work independently, as well as in a team.

The flexibility to travel.

Bonus points if you have:

1 to 3 years of relevant working experience.

The ability to apply advanced data science techniques.

A deep understanding of the underlying mathematics and statistics.

An affinity with data visualization tools and techniques.

Basic knowledge of machine learning and the Azure cloud platform.

Basic knowledge of relational databases and SQL.

But most of all, you are fun to work with and a great team player!

Soft skills

Communicative Team player Pragmatic Passionate Taking ownership of your work

Hard skills

Machine learning Statistical techniques Python/R SQL Azure

Language skills

Required:

English

A plus:

Any other language

Your future

At OMP, we're eager to find your best career fit. Our talent management program supports your personal development and empowers you to build a career in line with your ambitions.

As a data science consultant you can grow into the role of product expert, product manager, advisory consultant, solution architect, or team manager.

Our offer

At OMP, we offer more than just a job. We put people first and inspire you to become the best version of yourself.

International : A growing global company, worldwide career opportunities, and multicultural teams

Benefits : An attractive salary package including an optional company car, a bike incentive program, additional extralegal vacation days, and other competitive benefits

Flexibility : Teleworking, flexible hours, and lots of autonomy
