

## Developer Fullstack Java/Angular F/M/X

[Apply Now](#)

Company: Amaris Consulting

Location: Belgium

Category: computer-and-mathematical

### Job description

We are currently seeking a Developer Fullstack with 3 to 6 years of experience for our esteemed client, Amaris Consulting. This is an opportunity for a full-time Undetermined Duration Contract based in Belgium.

### Your Responsibilities:

Develop and maintain web applications using Java, Angular, JavaScript, HTML5, CSS3 and other related technologies.

Create efficient database schemas and optimize SQL queries.

Work closely with the design team to implement user-friendly interfaces.

Collaborate with backend developers to ensure seamless integration of functionalities.

Analyze project requirements and propose suitable technical solutions.

Maintain code quality through regular code reviews and refactoring when necessary.

Troubleshoot application issues, identify root causes, and implement corrective actions promptly.

### Your Profile:

The ideal candidate is not only technically proficient but also has excellent problem-solving

skills. We value individuals who are passionate about delivering high-quality work while fostering a positive working environment within their teams.

You possess at least 3-6 years' experience as a Full Stack Developer or similar role in software development.

You have strong knowledge of front-end languages such as HTML5, CSS3 Javascript along with familiarity with databases like MySQL & MongoDB.

Your expertise includes server-side languages including Java/Python etc.

You're comfortable working both independently and collaboratively within cross-functional teams.

A knack for visual design and utility coupled with proficiency in version control tools like Git would be highly desirable

You have excellent problem-solving skills and attention to detail.

Strong communication skills in English, both written and verbal are a must.

If you're looking for an opportunity that allows you to showcase your technical prowess while working on challenging projects, then we would love to hear from you!

### **Advantages:**

An international learning environment

Extensive training and certifications.

A R&D laboratory where you can develop your skills on innovative projects.

The opportunity to bring new ideas to develop a thriving business.

Individual coaching and mentoring, as well as the chance to learn from experts for your professional and personal growth.

An attractive, tailor-made, and evolving career path.

**We are an independent company that values:**

Agility: thrive in a flexible, dynamic, and stimulating environment.

International scope: enjoy daily international exchanges and numerous mobility opportunities in over 60 countries.

Intrapreneurship: engage in related topics or develop your own Business Unit.

Attentive management: with a limited number of consultants, your manager will adapt to your profile and support you throughout your professional journey.

*Amaris Consulting is proud to be an equal-opportunity workplace. We are committed to promoting diversity within the workforce and creating an inclusive working environment.*

*For this purpose, we welcome applications from all qualified candidates regardless of gender, sexual orientation, race, ethnicity, beliefs, age, marital status, disability, or other characteristics.*
