

Belgium Jobs Expertini®

Digital Workspace Consultant (EUC)

[Apply Now](#)

Company: ITQ

Location: Belgium

Category: computer-and-mathematical

Powered by our passion for technology and innovation, we want to be trusted advisors for our customers and help them be successful, allowing them to focus on their core business and create business value, by providing them with a (managed) secure digital workspace, that empowers their workforce to work flexibly & efficiently.

Do you recognize yourself in this? Then jump on the ITQ roller coaster and take your career to the next level!

You are an experienced Consultant in the field of VMware End User Computing technologies and are able to quickly learn new technologies. You securely identify customer use cases and translate them into digital workplace solutions.
