**Engineer CSV**

**Apply Now**

Company: ATS Automation

Location: Antwerp

Category: computer-and-mathematical

## Job Description

To strengthen our Life Sciences department, we are looking for a CSV (Computer System Validation) engineer. Depending on your region, you could be employed at one of our various clients in the life sciences.

## Tasks

Validation process of a DCS or MES with a focus on the system aspect

Determine the approach for the validation process

Writing validation plans and reports

Providing support to projects

Conduct periodic review of computer systems

Perform limited adjustments to computer systems

Preparation of validation documents

Conducting risk analyses

## Hard Skills

You preferably have a bachelor's degree or equivalent through experience

You have at least an initial work experience as a validation engineer

You have a solid basic knowledge of automation and/or IT

You are familiar with GAMP guidelines

You possess good MS Office skills

You hold a valid driver's license

**Soft Skills**

You have strong communication skills and can adapt your communication style to every level of the organization

You are resilient to stress

You are fluent in English and Dutch

You can work very structured

You are able to work independently

**Offer**

**What does PA Solutions offer you?**

**Challenge in your role:** Impactful work in a rapidly growing, international company.

**Top conditions:** Attractive package with fringe benefits, such as insurances and meal vouchers.

**Ultimate Flexibility:** Freedom with flexible hours and options for working from home.

**Sustainable Mobility:** Your own electric car, Europe-wide charging pass, and home charging station.

**Learn & Grow:** On-the-job training, external courses, and limitless career paths vertically and horizontally!

**Epic Team Vibes:** A close-knit, energetic team spirit with weekly get-togethers (Duvel Hour) and monthly team building activities (bowling, quiz, sports events, padel, ...), annual ski trip, and our legendary Christmas party!

**Totally convinced to start at PA Solutions?**

Send us your CV with a short motivation via **jobs.be@pa-ats.com** and we will contact you very soon!

Please note that only candidates who will be invited for an interview will be contacted.
