### What will you be doing?

As an experienced consultant, we don't need to tell you what the job of a D Finance Consultant entails. What can you expect at Delaware?

Interesting **D greenfield implementation projects in various industries** manufacturing, retail, professional services, textile,...

Working on **local** projects or having an **international** scope, it's up to you!

We enable you to **design your own career path**: growing towards Project Manager, Solution Architect,... A lot is possible!

You **coach** less experienced team members in configuring the system and training end-users.
