Finance & Performance Consultant

Microsoft, management consulting, some experience, consultant Belgium share on You're a **dynamic** and motivated business professional who thrives in a **fast-paced** business environment. Transformation projects are nothing new to you. In fact, based on your experience with **optimizing** and **transforming finance processes**, you've come to realize that you like to steer the ship. And now the Delaware Management Consulting team is looking for you!

You are **energized** by productive **brainstorming** sessions with management, in-depth data **analysis** and agile consulting. You're quick to understand business challenges and propose **business** and technological **solutions** to help improve finance processes.

You're on the ball, you're **flexible**, and you can alleviate the uncertainty our clients face on their **business transformation** journeys — you're there to guide them in the right direction!

Apply for Finance & Performance Consultant!

Thank you for your application.

We will get back in touch with you soon! Have a great day!

read our stories

Who are we?

At delaware, we have a dedicated **Management Consulting** team that helps companies to **transform beyond technology** , in close collaboration with our technology teams to boost the value we deliver to our customers. We operate across industries and tackle the needs and challenges of different stakeholders, helping them to transform their function, their team, their strategy, and ultimately their business model. We leverage our expertise to **improve business performance** and grow world-class capabilities.

As a Finance and Performance professional, you'll be joining our **Finance and Performance Management** team that advises companies on how to optimize their finance function and related business processes, identify the right technology and support their implementation. This is a **fast-growing** area at delaware, with lots of opportunities for you to show off your skills and grow!

Just so you know: delaware has offices in **Antwerp, Ghent, Kortrijk, Lummen, Liège, and Wavre** , but we also spend a lot of time working with our **on-site**. The job is done wherever the work gets done!
