

## Government Relations Manager

[Apply Now](#)

Company: DTCC

Location: Belgium

Category: computer-and-mathematical

### **Are you ready to make an impact at DTCC?**

Do you want to work on innovative projects, collaborate with a dynamic and supportive team, and receive investment in your professional development? At DTCC, we are at the forefront of innovation in the financial markets. We're committed to helping our employees grow and succeed. We believe that you have the skills and drive to make a real impact. We foster a thriving internal community and are committed to creating a workplace that looks like the world that we serve.

### **Pay and Benefits:**

Competitive compensation, including base pay and annual incentive

Financial provision for health, life insurance and pension benefits

Wellbeing resources

Paid Time Off and Personal/Family Care, and other leaves of absence when needed to support your physical, financial, and emotional well-being.

**DTCC offers a flexible/hybrid model of 3 days onsite and 2 days remote (Onsite Tuesdays, Wednesdays and a third day of your choosing)**

### **The impact you will have in this role**

Being a member of the Government Relations team, the Government Relations Manager will represent the interests of DTCC before EU policymakers and regulators as well as elected officials and will assist in developing and advancing DTCC positions concerning EU public

policy issues. The successful candidate will have and develop a strong network of external and internal relationships. External relationships include those with key legislative, executive and industry officials with a focus on European Parliament, European Commission and Council of Ministers of the EU. Internal relationships include DTCC's business lines and offices of Risk, Marketing and Communications, Technology, Legal and Compliance, among others.

The successful candidate will also work with DTCC's internal departments and business and policy colleagues in the US, Asia and Europe on the impact of new policy initiatives and support DTCC Executives and experts in external activities with public officials and industry groups. The successful candidate will be expected to develop an expertise on specific policy areas and also represent DTCC externally on these issues.

This role requires an individual who is able to develop a good understanding of how political, regulatory and policy issues interact, their implications on the DTCC, and help identify opportunities and threats stemming from this.

**Your Primary Responsibilities:**

Help to maintain, develop and advance DTCC's government relations function, with particular focus on the European Union and its member states.

Develop and execute DTCC's public policy position and strategy.

Monitor and analyse EU policy and regulatory developments relevant to DTCC, including business risks and opportunities arising from legislative and regulatory proposals.

Preparing position papers, senior executive briefs, and consultation responses in support of DTCC's business and policy priorities.

Support Senior Management at external events and activities.

**\*\*NOTE: The Primary Responsibilities of this role are not limited to the details above. \*\***

**Qualifications:**

Bachelor's degree in politics, economics, law, finance or any other relevant field.

**Talents Needed For Success:**

5+ years' experience in EU's policy making and (ideally) in financial services.

Previous experience with policymakers, regulators and/or supervisors is a plus.

Understanding of issues relating to financial market infrastructure, international data flows, operational resilience and financial innovation.

Demonstrated ability to analyze policy issues and the political context and translate this into an actionable engagement strategy.

Candidate must be fluent in English and at least one other EU native language.

**We offer top class training and development for you to be an asset in our organization!**
