Company: Jobspaddy

Location: Antwerpen

Category: arts-design-entertainment-sports-and-media

### **Responsibilities :**

Manage and engage our vibrant community across various platforms, including Discord, Telegram and Reddit.

Lead a team of community managers, providing guidance and support.

Monitor and analyze community performance, providing valuable insights and recommendations for improvement and scaling.

Oversee the setup of Discord and Telegram channels, permissions, bots, and security measures.

Foster a safe, inclusive environment by enforcing community guidelines.

Stay updated on industry trends and technologies to drive community growth, brand presence and engagement. Innovate and execute community campaigns and activation events.

Support the social media and marketing team.

### **Requirements:**

Proven experience in managing and fostering large-scale crypto and trading communities.

Strong leadership skills, capable of leading and inspiring a team of community managers.

Familiarity with community platforms, engagement strategies, and analytics.

Excellent communication skills in English, both written and verbal.

A solid understanding of the crypto culture and trading platforms.

5 years+ of experience in community management within the FinTech space.
