

## Head of Public Affairs/ Office Brussels (f/m/d)

[Apply Now](#)

Company: Statkraft

Location: Brussels

Category: other-general

### Job Description

European Policy development fundamentally shapes the energy transition. EU policies and regulations is key for development and operations of renewable energy, power market and new green business development. Statkraft's Brussels Office currently consists of a small and competent team which is responsible for safeguarding and coordinating Statkraft's understanding of EU policies and to provide relevant input to ongoing processes. Given the rapid policy development in Brussels and Statkraft's growth strategy in Europe and the Nordics, we seek to strengthen the capacity of in the Brussels office. The office is also part of the Corporate Politics and Ownership unit, which plays a key role in Statkraft's work with political and regulatory issues in Norway, Europe and internationally. The unit coordinates regulatory and policy work, both internally in the company, and in external forums where Statkraft participates.

As a **Head of Public Affairs/ Office Brussels** will:

Be in charge of the execution of Statkraft's external public affairs work in Brussels

Represent Statkraft externally and support Senior Management on public affairs issues and meetings

Develop and implement the strategy for Statkraft's political priorities in Brussel

Build and maintain stakeholder strategy, networks and partnerships

Contribute to political analyses of EU policy making, politics and processes

You will report to the Vice President of EU Affairs & Managing Director Statkraft  
Brussels

## Qualifications

**Expertise in renewable energy and climate change** : You should have a deep understanding of renewable energy and climate change topics and be able to lead conversations on these topics with confidence and authority.

**Political acumen** : You're well equipped to translate political developments into actionable strategies for the company and use public affairs strategically to place the interests of the company in relevant areas in Brussels.

**Public Affairs, Regulatory Processes, Diplomacy** : You have +10yrs experience and insight into the work of EU institution, preferably the European Parliament and/or Commission

**Experience in public speaking** : You have experience speaking in public and be able to represent the company on stages, in meetings, and towards politicians with confidence and poise

**Education** : Master degree in economics, political science, law or similar

**Language** : Fluent in English and at least one other European language (in addition to preferably one Scandinavian language)
