## Hiring Traditional Chinese Community Manager experienced in Localization

Job posted at: Apr , 4 : GMT (GMT: Apr , 4 :)

**Job type:** Translation/editing/proofing job

**Services required:** Translation, Checking/editing, MT post-editing

**Languages:** English to Chinese

**Job description:** Are you a native speaker of Traditional Chinese, experienced in localization? Do you have revision and quality assessment experience? Are you interested in joining a fast-developing tech company that values great talents?

If you are looking for some amazing opportunities, please keep on reading...

Currently, we are looking for experienced linguist to take over an important role of quality control for the Traditional Chinese Community.

What you gain with us:

- Easy-to-access projects, no file management, all done online with just a few clicks
- Work online with no outlay on software or tools or nothing to install. All you need is secure Wi-Fi
- Automatic and hassle-free invoicing
- Professional development:
  - o Training and feedback, rapid development with outstanding support from our Community

Team who will be by your side to guide you through

What we expect from an ideal candidate:

- To be a native speaker of the target language (Traditional Chinese)
- To have proven ability (min. three years of experience) of translating/quality assessment from English
- To have experience in localization and revision
- To be interested in MTPE
- To be ready for a short trial test (unpaid)

The future is exciting. Join our global community today by sending out your Resume to [HIDDEN] and we will contact you with more details.

Thank you very much!

Jonckers
