

Indirect Tax Manager - Multinational company - Antwerp

[Apply Now](#)

Company: Michael Page

Location: Antwerp

Category: computer-and-mathematical

VAT Compliance: Take charge of the coordination of VAT tasks, VAT returns with precision and finesse. Your expertise will be crucial in maintaining the integrity of financial systems.

Guardian of Accuracy Oversee tax accounting and VAT account reconciliation for the company entities.

Query Resolution Maestro Take charge of the accounts Payable (AP), Accounts Receivable (AR), and inter-company matters. Collaborate closely with the Shared Services Centre to resolve queries promptly and effectively.

Global Collaboration: Collaborate with tax teams in Europe and the US. Your insights will be invaluable in assessing the legal implications of new projects and business initiatives, ensuring the client stays ahead of the curve.

EMEA VAT Coordination: Take the lead in coordinating VAT compliance across EMEA countries. Forge strong relationships with external partners, handling interactions with local tax authorities and navigating audits with confidence.

Regulatory Vigilance: Keep a watchful eye on changes in laws and regulations communicated by compliance partners. Your proactive approach will play a vital role in adapting strategies of the client to stay compliant with evolving requirements.

Master degree or bachelor degree in Tax, Accounting of Finance

Minimum 2-3 years of experience in VAT and/or other indirect tax

Strong communication skills, ensuring stakeholder commitment

Positive and proactive attitude

English required

Proficient in Microsoft Excel and PowerPoint

Capable of working effectively under pressure and meeting tight deadlines

Challenging Environment: Thrive in a dynamic work environment where every day brings new challenges and opportunities for professional growth.

Global Impact: Contribute to a team that operates on a global scale, making a meaningful impact on company's success.

Collaborative Culture: Join a team that values collaboration and encourages innovative thinking. Your ideas will be heard, and your contributions will be recognized.
