Company: AXA Partners

Location: Belgium

Category: computer-and-mathematical

AXA Partners is an AXA transversal business unit offering a wide range of solutions in assistance services, travel insurance and credit protection. AXA Partners' role is also to implement innovative solutions emerging from the AXA Innovation unit. Combining passion with advanced expertise, we design and deliver worldwide solutions for partners and communities. We protect what matters, when it matters. As a Tax and Accounting Manager you will be part of an international finance team of Axa Partners located in Brussels. You will manage the indirect tax & accounting team made up of 2 members as well as the Treasury team made up of a team leader and 2 members. Beyond also contributing actively in the BAU, you will lead/contribute to any project requiring tax & accounting technical insight. It is critical to develop more collaboration with GBS team (India) and automation to meet all objectives and to balance fairly management and direct contribution. The scope is Northern Europe and also...
