## Industrialization Senior Manager

**Hybrid/ On-site**

**Louvain La Neuve**

As a Industrialization Senior Manager on our site in Louvain-la-Neuve, you will be in charge of a team of three people. This position works closely with stakeholders such as Quality and SHE, R&D, our Commercial teams and the Sampling team.

At DSM-Firmenich people are at the heart of the company. We are committed to equal employment opportunities and value diversity in the workplace.

### **Your mission**

Facilitate and contribute to the Firmenich Global Product Industrialization strategy by ensuring successful launch of new products including review of processes and production equipment observing all required HS&E, Quality and Business standards –

Act as working manager of a small team - Local representative & key contact person for Product Industrialization

Demonstrated expertise in a specialized competency such as expertise developed through experience in product technology and/or improvement project management

Coordinate improvement initiatives and execute actions relevant to PI - Demonstrates Outstanding Presentation skills in order to deliver compelling, engaging, transformative, educational, and/or instructive messages

Prioritizes and manages multiple projects within deadlines and cost efficiency

### **You bring**

MA degree of Science Chemistry, Food Science, or equivalent confirmed expertise gained through experience

10 years min related experience in a manufacturing environment with confirmed ability to drive projects - Food/ Flavors industry preferred

Demonstrate ability to lead and engage peers as well as influence within different level of the organization - Successfully works in a matrix organization and easily adapts to a fast-paced environment

Demonstrates strong Analytical skills with ability to solve problems

Familiar with Manufacturing practices, process safety analysis (PHA) and Job safety Analysis (JSA)

Effective interpersonal, verbal, and written communication skills- Proficient in spoken and written English as well as in French

SAP knowledge a plus

### **We bring**

A rich history and a promising future of bold scientific innovation and passionate creation with our customers

A culture that prioritizes safety and well-being, both physically and mentally

A firm belief that working together with our customers is the key to achieving great things

An eagerness to be one team and learn from each other to bring progress to life and create a better future
