

## Industry Solution Project Manager

[Apply Now](#)

Company: OMP

Location: Belgium

Category: computer-and-mathematical

### Your challenge

>

### Your team

As our new Industry Solution Project Manager, you'll join the Industry team, as part of the Customer Solutions organization. The Industry team realizes the targets and strategies set in the industry business plans together with the Commercial and Delivery teams. The Industry team guides and supports the Commercial and Delivery teams with industry-specific commercial expertise, advice, and solutions.

### Your profile

We are looking for someone who meets the following qualifications:

A university degree in engineering, business engineering, computer sciences, or similar.

Over 1 year of experience in coaching, managing, and guiding teams through ICT projects.

A talent for communication and management of people and teams.

Proven project management skills.

The ability to connect with different stakeholders.

Excellent interpersonal and leadership skills.

Experience working as a team-player in a global setting.

A structured and pragmatic approach and a friendly and open attitude.

A passion for working in a multinational customer-driven environment.

Bonus points if you have:

Industry and supply chain knowledge in one of our key industries.

### **Soft skills**

Communicative Team-player Collaborative Pragmatic Passionate People skills

### **Hard skills**

Analytical skills

### **Language skills**

#### **Required:**

English

#### **A plus:**

Any other language

### **Your future**

At OMP, we're eager to find your best career fit. Our talent management program supports your personal development and empowers you to build a career in line with your ambitions.

As a Project Manager, you could grow into roles in program management, business development, advisory management, or people management.

### **Our offer**

At OMP, we offer more than just a job. We put people first and inspire you to become the best version of yourself.

**International** : A growing global company, worldwide career opportunities, and multicultural teams

**Benefits** : An attractive salary package including an optional company car, a bike incentive program, additional extralegal vacation days, and other competitive benefits

**Flexibility** : Teleworking, flexible hours, and lots of autonomy

**Lifelong learning** : A custom training and development track, an extensive coaching program, and on-the-job learning

**Empowerment** : Room for initiative and creativity and an emphasis on entrepreneurship

**Innovation** : Encouragement to think differently through cross-team collaboration and innovation challenges

**Well-being** : A caring and inspiring environment, promoting a happy and healthy lifestyle through a wide range of facilities and activities

**Teamwork** : Join a team that lifts you up and learn from the best
