

Integration Consultant - Senior

[Apply Now](#)

Company: OMP

Location: Belgium

Category: computer-and-mathematical

Your challenge

>

Your team

As an Integration Consultant, you'll join the Delivery team, as part of our Customer Solutions organization. The Delivery team delivers the solution and assists customers before, during, and beyond implementation. Once the global design is approved, all project team members join forces to implement all composing elements of the solution and provide flawless integration. User Engagement initiatives, training, documentation, and coaching enable customers to understand the solution and use it to its full potential.

Your profile

We are looking for someone who meets the following qualifications:

A Bachelor's or Master's degree in Computer Science, Mathematics, Industrial Engineering, or similar.

A solid background in IT.

4-5 years of experience in systems integration implementations, troubleshooting, or support.

Hands-on experience in building complex integrations with a broad variety of application types and technologies.

Great analytical and problem-solving skills.

A customer-oriented and results-committed attitude.

Passionate about working in a multinational, customer-driven environment.

A team player who can also work independently.

Fluent in English.

Willingness to travel.

Bonus points if you have:

Knowledge of or experience with SAP (PP and MM).

Integration experience with enterprise systems like SAP or Blue Yonder.

Experience with communication protocols for SAP (through BAPI / RFC), databases, and files.

Web services technologies such as HTTP, SOAP, and REST (based APIs).

Middleware such as SAP PO and SAP PI.

Experience with MES/WMS.

Proficiency in data communication or transformation techniques.

Hands-on experience in designing, building, testing, debugging, deploying, and managing APIs and integrations.

Experience with ETL tools.

Technical knowledge of SQL, R, JavaScript, Python, etc.

Soft skills

Communicative Team-player Creative problem solver Customer-oriented Result-committed Eager to learn Passionate

Hard skills
