

## international Procurement Manager

Apply Now

Company: Sidem

Location: Belgium

Category: computer-and-mathematical

### Job description

In this role, you play a crucial role in defining the procurement strategy to ensure a cost-conscious and efficient procurement process to contribute to Sidem's **strategic growth**

You will ensure further **expansion of purchasing activities**, both with **existing** and **new suppliers**. You manage an **international team of about 5 employees**, in Romania, China, India and Turkey. You are **a member of the management team** and report to the Owner-CEO.

You are responsible for designing, initiating, implementing and monitoring the **procurement policy** in an **international market**. You focus on both **strategic** and **operational**

You are responsible for the **overall purchasing processes**, leading **negotiations with major suppliers** and **agreeing** on prices, delivery dates and volumes.

You will **travel some 35%** of your time, mainly to stay in **close contact** with your team, but also to visit larger (potential) **suppliers**.

You are a **member of the management team** and **help determine the direction** in which Sidem evolves. Your **expertise and insights** help determine which **investments** are made.

### Profile

You combine a **Master's** level of thinking with **solid experience** in a **similar position**, and possess the necessary **strategic skills** to be an active part of a management team.

You are a consummate **negotiator with an enthusiastic**

You can present a **track record** in strategic procurement management.

You are an **excellent people manager** , with proven experience in (remote) **teaching and motivating international teams**.

You speak **English** fluently and preferably **Dutch** . Knowledge of other languages is an asset.

Experience in **automotive** is a **plus** .

### **Our offer**

A more than **challenging management position** , in which you can **help build a Belgian global player** in automotive.

The opportunity to put Sidem further **on the map internationally**, taking both your teams and the entire organisation to the **next level**

A **stable and healthy family business**, with **the ambition** of a **thriving multinational** .

A **attractive salary package** , whether employed or self-employed.
