We offer

Professional experiences in an international and dynamic working environment to boost your career journey.

At the start of the internship, you will receive several trainings. After the first week, you will assist our team with the core services. A dedicated colleague - a buddy - will guide and support you during the internship.

A professional environment that heavily invests in its people's development of soft skills and technical know-how by organizing various trainings and experience sharing meetings.

A corporate culture in which personal growth, mutual trust, teamwork and lifelong learning are being fostered.

An inclusive workspace that encourages diversity and pursues mutual respect and tolerance.

A wide range of teambuilding activities and social events that enable new joiners to meet colleagues within the wider KPMG community and have some fun along the way.

State-of-the-art tools, solutions and support (IT, library and databases) to allow you to concentrate on the work at hand and maximize your efficiency.
