An auditor at KPMG, you will be doing much more than just looking at the company's financial records. You'll be finding out as much as you can about the whole company, the way it works, its products or services, its technology, its competitors and the industry in which it operates.

For the academic year 2024-2025, we are looking for interns for the following offices for **fall 2024** or **spring 2025**

Brussels (Zaventem HQ)

Antwerp

Ghent

Hasselt

Following-up the confirmation procedure

Verifying different sections of the cash balances and financial statements by using audit tools

Monitoring the administrative organization and the internal controls

As an audit-trainee you'll be working both at the client and at the office.
