Responsibilities

With the strength of its values, recognized expertise and distinct company culture built on over 150 years of history, Société Générale mobilises its teams to offer a comprehensive range of innovative solutions to help you accomplish your goals and leverage your potential.

Société Générale Corporate & Investment Banking in Brussels (SG CIB) is a provider of innovative solutions, advisory and capital market products, serving the needs of corporations and institutions through: Investment Banking, Global Finance and Global Markets.

Mission:

As part of the Coverage team, you will be supporting the daily client coverage through various solutions, including Investment Banking, Global Finance, Global Markets, Trade Finance and Cash Management solutions. The trainee in Coverage Support at SG CIB will be responsible for managing loan transactions, providing analytical and reporting support, supervising loan implementation, controlling revenues and profitability, maintaining client

databases, supporting Relationship Managers, conducting market research and assisting with new business initiatives.

Tasks and responsibilities:

Provide Relationship Managers with client analysis and market intelligence (client strategy geographical presence, market and industry positioning, , latest financial reports and press reviews)

Management of loan transactions

Work closely with the RMs and internal Business Lines worldwide from origination (preparation of pitch, relationship memos, RFP responses) to execution

Reporting and monitoring of revenue (NBI –Net Banking Income) and profitability made by the bank with the portfolio clients, including periodic review and correction of internal reporting data, and ad hoc profitability analysis

Collaborate with the credit team to manage and understand the credit risk associated with the portfolio & new prospects, and ensure the credit quality of the portfolios

Work on various type of deals (including loan transactions)

Profile required

Studies & experience:

Graduate or student at a business school or university, preferably with a major in Financing and/or International Business (an internship agreement is required)

Language skills:

Fluency in English

Dutch and French would be a plus

Technical, operational & Soft skills:

High commitment and dedication

Methodical and proactive

Team spirit

Why join us

Société Générale Brussels is a multi-category bank offering every employee the possibility to have several careers in a professional career path. Internal mobility and training are two core areas we focus on, in a dynamic, prosperous and evolving context.

As soon as you arrive, you will be integrated into our teams and will learn every day alongside our experts, who will support you in your tasks. Gradually, you will become more independent in your projects, making this experience a real career accelerator. You will also discover all the diversity of our businesses, in a sector that is constantly evolving and innovating.

At the end of your studies, various opportunities could be offered to you, in Belgium and abroad.
