

Internship Tax Consulting

[Apply Now](#)

Company: KPMG

Location: Belgium

Category: computer-and-mathematical

Position description

Job title

Internship Tax Consulting

Function

Tax and Legal - Intern

Roles & Responsibilities

Would you like a taste of the life of working in an international and dynamic consulting environment? Join one of our tax teams and you will gain insights in the role of a junior tax adviser!

As an intern you will have the opportunity to work in team on versatile projects for distinguished (multinational) companies. You will be surrounded by people who will help, guide and train you!

As an intern you will be involved in various projects in one of the following domains:

VAT

Customs and excise duties

Personal income tax

Corporate tax

Transfer pricing

#Law #Economics #Tax #Internship #LI-IW1

Skills & Qualifications

We are looking for students who are studying a master's degree in Law, Applied Economics or Business Administration with a focus on Tax.

You speak Dutch or French and are fluent in English.

When?

Exact period to be mutually agreed.

Where?

Brussels (Zaventem)

Antwerp (Berchem)

Ghent

Hasselt

We offer

Professional experiences in an international and dynamic working environment to boost your career journey.

At the start of the internship, you will receive several trainings. After the first week, you will assist our team with the core services. A dedicated colleague - a buddy - will guide and support you during the internship.

A professional environment that heavily invests in its people's development of soft skills and technical know-how by organizing various trainings and experience sharing meetings.

A corporate culture in which personal growth, mutual trust, teamwork and lifelong learning are being fostered.

An inclusive workspace that encourages diversity and pursues mutual respect and tolerance.

A wide range of teambuilding activities and social events that enable new joiners to meet colleagues within the wider KPMG community and have some fun along the way.

State-of-the-art tools, solutions and support (IT, library and databases) to allow you to concentrate on the work at hand and maximize your efficiency.
