Internship Veterinarian

Full Time

Berkenbroekstraat 1, 3960 Bree, Belgium

Without Professional Experience

4/24/24

We are united by our passion for the welfare of animals. Together we create the best medical standards in an appreciative working atmosphere.

About us:

Via Nova is a recently started, modern horse clinic in Bree (Belgium). We have an MRI scan, CT scan, operating rooms (standing operations and under general anesthesia), 40 stables, grass paddocks, a horse walker and extensive facilities for orthopedic examinations (including indoor and outdoor arenas). We strive to form a supportive, caring and friendly team.

We currently offer **4 internship positions for recent graduated veterinarians** looking to gain experience in equine medicine. Interns will work closely with our veterinarians and learn from the experience of Diplomate Specialists in Surgery, Diagnostic Imaging, Sports Medicine and

Rehabilitation, Internal Medicine and Ophthalmology.

We encourage our interns to follow several projects of personal interest. Once a week during a “journal club” session the interns expose articles and projects that they have chosen or been working on. The interns are also welcome to attend veterinary conferences or courses that we organise at our centre free of charge.

Duration of the internship:

It is a **one-year program** divided in 4 weekly rotations:

Orthopedics

Anesthesia and surgery

Internal medicine/consultation

Hospitalisation

We work together with a B&B just a few minutes from the clinic. You can stay here together with the rest of the interns. Prices are communicated at the start.

Starting Date:

Please contact us for more information!

Requirements:

Have a diploma of Veterinary Medicine (we accept applications of final year students).

Fluent in the English ;language. We are an international group, so we established English as our base language, but other languages as Dutch, French and German are regarded as an asset.

We are looking for a friendly, passionate and hard-working person that values teamwork and professionalism.

We ask potential candidates to do an externship of minimum 2 weeks.

Applications should include

Current CV + Motivation Letter (in English!)

The Veterinary Medicine Diploma

A letter of recommendation or 2 persons of reference (name, phone and e-mail address)

Become part of a nice and motivated team and work with us for the welfare of animals!

If you are interested, please send your documents online. For any questions regarding the open position, don't hesitate to contact info@vianovaequine.com.

We are a part of the Altano Group:

With over 1,800 employees at more than 70 locations in 10 countries, Altano is the world's leading group of equine clinics. Our veterinarians and medical specialists use their knowledge and experience to provide the highest standard of medical care for the animals entrusted to us. Altano employees are passionate about giving their best for the welfare of animals and benefit from a corporate culture based on appreciation as well as a fair and respectful working environment. In order to continuously improve as a team and shape the future of veterinary medicine, we focus on promoting the ongoing development of our employees, collective life-long learning, and the transfer of knowledge within our group.
