Category: computer-and-mathematical

Become our new

iOS Developer

We are looking for someone who ...

is passionate about mobile and just about everything Apple related.

is proud of his/her excellent coding skills and thinks it is definitely time to put that coding skills to work!

has experience with developing iOS applications (and maybe has some private or open source projects to brag about)

Eats frontend/mobile architecture principles focused on iOS

Has experience with Objective C, Swift, different iOS SDKs, objective oriented design & design patterns

Is familiar with Reactive programming.

You preferably obtained a bachelor or a master's degree . Beside Dutch you also possess a good knowledge of English .

Furthermore,

You know about unit testing and test driven development

Automated development processes and agile methodologies sound familiar

You are passionate about the newest evolutions & media

You love new ideas, techniques and technologies

Working as a team motivates you

In all of this you are customer oriented and you strive to get the job done

Some advantages

Why you should work for us

Competitive salary

Lunch allowance

Be part of a young and eager team

Company car and Benelux fuel card

Shape your own future and work with the latest technologies

Mobile data plan

Fun activities and team building events

Flex income plan

Laptop (Apple or Dell)

Premium Hospitalisation Insurance

Group insurance

Who is Xplore Group?

Xplore Group is a fast growing company with Belgian roots and an open organizational structure.

We are an ecosystem of competence centres that are specialized in digital and IT profiles, services, and solutions. Each competence centre has its experts in a technology or solution.

We connect people by creating technology that makes sense.

Innovation and entrepreneurship are central to each competence centre. We are not afraid to take on any challenge and daily respond to the latest market trends. Our promise is simple: We will never stop Xploring, it is our DNA.

With 12 locations in 5 different countries and more than 'Xplorers', we act as a regional and local partner for our customers.

Is this job for you?

Don't hesitate and apply!
