

IT Business Analyst- International opportunity

[Apply Now](#)

Company: Fyld

Location: Belgium

Category: computer-and-mathematical

Want to enter the field? Fyld is a Portuguese consulting company specialized in IT services. We enter the field with high performance players in the most diverse of technological areas. We're inspired by a philosophy associated to sports management, where we seek to achieve the highest performance in each of our consultants. We bet on training and performance. We opened the call for the next game! We are looking for Business Analyst (more than 1 position) : - Degree in Computer Engineering or similar; - Minimum of 3 years of professional experience; - Experience in functional analysis functions (requirements gathering, functional specifications, flow documentation and business processes); - Experience with tools like: UML, Bizagi and others; - Excellent communication skills; - Fluency in the English (French plus); - Availability to move to Belgium. We value: Exigency, professionalism and commitment, the rest are trained. If you want to be part of the team send your CV to: join@fyld.pt Fyld, where the best enter the field. Powered by JazzHR
