Company: Antal International

Location: Belgium

Category: computer-and-mathematical

Job Description

Our client, an important Belgian FINTECH, is looking for its **INFORMATION SECURITY MANAGER**(futur CISO)

The role of the Information Security Manager is to implement and develop our client's information security strategy to safeguard the organization from potential threats (I.e. cybers) and ensure compliance with relevant regulations.

Education & Experience

Bachelor's or master's degree in computer science, cybersecurity, software engineering, or a related field. MBA or equivalent business experience is a plus.

Proven experience as an **Information Security Manager or CISO** in a senior information security leadership role within the IT sector.

In-depth understanding of cybersecurity technologies, protocols, and best practices.

Industry certifications such as CISSP, CISM, or equivalent is highly desirable.

Strong understanding of cybersecurity laws, regulations, and best practices.

Strong knowledge of software development processes and methodologies.

Knowledge and understanding of financial markets, regulations and industry-specific technology trends is a plus.

Soft Skills

Excellent leadership and team management skills, with the ability to inspire, mentor and motivate teams to deliver exceptional results.

Strong strategic mindset, with the ability to align technical initiatives with business objectives.

Robust communication and presentation skills, with the ability to effectively interact with clients, stakeholders, and executives.

Determination in delivering on objectives, favoring simplicity.

High organizational skills to set priorities, action plans and monitor their progress.

High ethical standards.

Executive communication and exposure with top management colleagues.

Systematically look for solutions by mobilizing resources at every level of the organization.

Flexibility and change management in complex organizations, notably involving information systems.

Communication

Fluent in French and English (written and spoken).

Good communication skills written and oral.
