jobdetails The Program

The Johnson & Johnson Supply Chain internship offers you the opportunity to get a first glimpse of

your potential future career and to apply your academic knowledge in a real-life supply chain context. Our internship is a great way to get noticed within the world of J&J! ...As an intern you will be part of a team and get to experience the daily challenges we face in Johnson & Johnson Supply Chain. The intern will be assigned to any of the following business areas:

¿ Advanced Therapies (Beerse or Gent)

Project examples: Optimize logistics flows, support operational readiness of new CAR-T EMEA

production sites, etc.

¿ Deliver ¿ Distribution & Warehousing (Beerse, Diegem , La Louvière or Courcelles)

Project examples: Support development of CO2/Sustainability calculation in order frequency

and transportation, Develop site strategic roadmap, Inbound/Outbound improvements, etc.

¿ Janssen Supply Chain - Chemical Production (Geel)

Project examples: Digitization projects, Research on equivalency of different reactors and on performance of materials towards the chemical processes, Data analytics for process optimization, etc.

¿ Janssen Supply Chain - Pharmaceutical Production (Beerse)

Project examples: Conduct Root Cause Problem Solving, Initiate business cases and Implement process improvement actions, including Kaizen.

¿ Clinical Supply Chain (Beerse)

Project examples: Develop User Requirement Specifications for `cold room¿ process, etc.

The J&J Supply Chain Internship is a one to three months opportunity for master students.

We are

open for full-time and part-time commitments for which durations may vary. We are looking for interns in the period of January 2024 - December 2024.

jouw aanbod

You will obtain a master's degree in the next 2 years and have a strong interest in Supply Chain

Management. Preferred fields of study are (Business) Engineering, Automation or Science. However, the internship is open to any motivated student!

¿ You are passionate about advancing the health and well-being of people around the world.

¿ You are not afraid to ask questions or having to work independently (possible remote).

¿ To maximize your learning curve, we expect physical presence on site at least 1-2 days per week

¿ You look forward getting pulled out of your comfort zone. Thanks to your analytical skills you

manage to understand complex issues and related business needs.

¿ You are fluent in English and/or Dutch and/or French

ons aanbod

Vergoeding: een dagvergoeding van € 20 per gewerkte stagedag.

Indien je geïnteresseerd bent om te solliciteren voor deze uitdagende stage, stuur dan een e-mail naar RA-RNDBE-InternBelg@ITS.JNJ.com, samen met je cv en een korte motivatie.

Note: AN INTERNSHIP CAN ONLY START IF YOUR SCHOOL AGREES TO SIGN THE STANDARDIZED INTERNSHIP CONTRACT OF Johnson and Johnson Belgium. We cannot accept external contracts from the schools. Please, check this with your school BEFORE applying for an internship position. This way we can avoid an unfortunate cancellation of your internship later on in the hiring process due to this resolute resolution. For more info: ra-rndbe-internbelg@its.jnj.com.
