[Apply Now](#)

Company: Xplore Group

Location: Leuven

Category: other-general

### **Become our new**

### **Java Developers**

### **We are looking for someone who ...**

claim to be a true Java addict

love everything related to Java code and you strive to use the newest and latest technologies

JBoss, Spring, Hibernate, XML, SQL, OSGI... it all rings a bell!

have an analytical and critical mind

problems do not exist, there are only challenges

**You preferably obtained a bachelor or a master's degree . Beside English you also possess a good knowledge of Dutch .**

### **Furthermore, you are ...**

Your mind does not rest before it has found the solution for every challenge,

You understand that not all code is the same – you strive for quality.

You are a real team player,

You understand that many hands make light work,

In all of this you are customer oriented and you strive to get the job done,

Communication is essential as you are working together with a team of developers, architects, analysts, project managers and others.

### **Some advantages**

#### **Why you should work for us**

Competitive salary

Lunch allowance

Company car and Benelux fuel card

Grow and work with the latest technologies

Mobile data plan

Fun activities and team building events

#### **Who is Xplore Group?**

Xplore Group is a fast growing company with Belgian roots and an open organizational structure.

We are an ecosystem of competence centres that are specialized in digital and IT profiles, services, and solutions. Each competence centre has its experts in a technology or solution.

We connect people by creating technology that makes sense.

Innovation and entrepreneurship are central to each competence centre. We are not afraid to take on any challenge and daily respond to the latest market trends. Our promise is simple: We will never stop Xploring, it is our DNA.

With 12 locations in 5 different countries and more than 'Xplorers', we act as a regional and local partner for our customers.

#### **Is this job for you?**

Don't hesitate and apply!
