

## Junior Sustainability Reporting & Assurance Professional (September 2024)

[Apply Now](#)

Company: KPMG Belgium

Location: Belgium

Category: computer-and-mathematical

You will be part of a collaborative, dynamic and growing team in a fast paced and challenging environment. This will give you a broad breadth of experience as a professional.

The chance to work with interesting clients and innovative technology. At KPMG you can expect real responsibilities and opportunities to grow professionally. A career in KPMG Sustainability will give you countless growth possibilities and the opportunity to work in multidisciplinary teams on a broad range of different assurance and reporting projects.

A corporate culture in which personal growth, mutual trust and lifelong learning are being fostered.

An inclusive workspace that encourages diversity and pursues mutual respect and tolerance for each other's beliefs and background.

Professional experiences in an international and dynamic working environment to boost your career journey.

A competitive and attractive compensation package and a great number of extra-legal advantages.

A flexible, hybrid working schedule where employees can work on different locations: at home, at the office, on the go or at a client's site.

A professional environment that heavily invests in its people's development of soft skills and

technical know-how, by organizing both classroom and virtual trainings.

A wide range of teambuilding activities and social events ( afterwork drinks, network evenings, annual national receptions, etc.) that enable new joiners to meet colleagues within the wider KPMG community.
