## L&D Technology consultant

Microsoft, information management, some experience, consultant Belgium share on First things first, you are **IT savvy** . When you get up in the morning, it's one of the first things on your mind (besides coffee, of course).

Furthermore, you have a **strong affinity for talent and people** . Bringing out the best in people and teaching them something new puts a spring in your step.

As an L&D technology consultant, you have **experience with LMS and Talent solutions**. You have built your experience as an L&D technology consultant or as an L&D key user.

You enjoy **advising and challenging clients or users** about their processes. **You rock at workshops and demos** . You like to be hands-on when it comes to systems. You're comfortable in guiding your client/users through a new solution.

As a consultant, you're no stranger to **project management**. Making sure that a project is delivered within scope and budget is always on your mind.

**Apply for L&D Technology consultant!**

**Thank you for your application.**

**We will get back in touch with you soon! Have a great day!**
