Company: DNV

Location: Belgium

Category: office-and-administrative-support

As a result of the further growth of our DNV Business Assurance Unit in Antwerp, Belgium, we are looking for a qualified QHSE Lead Auditor.

As Lead Auditor you will perform audits at our customers' sites in the process (manufacturing) and construction industry.

Audits can involve the field of quality management such as the ISO 9001 standard, safety such as the ISO 45001 or VCA standard, or in the field of environment such as ISO 14001.

In the role:

- As the Lead Auditor, you will conduct audits for our customers in the process (manufacturing) and construction industries.
- You will engage in interviews with our clients and their employees at all levels of the organization,
- You will align the Management System with business objectives and risks to provide clients with insights for improving business processes and results through certification.

What we offer:

- You will benefit from the support that comes from being part of a large and experienced community of auditors.
- Wide range of benefits: flexible working hours, pension scheme, profit share bonus.
- Knowledge-sharing sessions with other auditors.
- Very varied working weeks – your workday is never the same

DNV is an Equal Opportunity Employer and gives consideration for employment to qualified applicants without regard to gender, religion, race, national or ethnic origin, cultural background, social group, disability, sexual orientation, gender identity, marital status, age or political opinion. Diversity is fundamental to our culture and we invite you to be part of this diversity.

About you:

- You have work experience as an Auditor with schemes such as ISO 9001 standard, safety such as the ISO 45001 or VCA standard, or in the field of the environment such as ISO 14001.
- You have been working in a quality, environmental or health and safety management-related position.
- You have a Bachelor's or Master's diploma or equivalent work experience.
- Having an IRCA Certificate Lead Auditor would be an advantage.
- You are fluent in Dutch, and French and have good command of English.

Personal qualities:

- You act responsibly and ethically, even if questioned.
- You can combine theoretical knowledge and practical skills to achieve goals.
- You possess a high degree of adaptability and flexibility in an environment of constant change.
- You are enthusiastic about learning and self-improvement and enjoy sharing your knowledge with others.
- You are motivated, ambitious, and driven to succeed.
- Your effective communication skills allow you to adapt your methods and style based on the situation and audience.
- As a DNV representative, you have high standards of professional integrity.

Please submit your CV in English.

Sounds great and you would like to ask some additional questions?
