Lean Management Consultant

management consulting, supply chain & operations, some experience, consultant Belgium share on

You're a **dynamic** and motivated business professional with a passion for **lean** manufacturing and continuous improvement. You're a **team player** who likes taking up an active role in **improvement** projects. You thrive in both small and large project teams.

You are **energized** by interactive workshops with our customers. You don't only **advise** them but also **coach** them during their lean transformation. You're quick to understand business challenges and propose **strategic, tangible solutions** to help reduce waste in the operational processes.

You're **flexible** and can handle the uncertainty our customers face in their **lean transformation** journeys – you're there to guide them into the right direction!

Apply for Lean Management Consultant!

Thank you for your application.

We will get back in touch with you soon! Have a great day!

read our stories

Who are we?

At delaware, we have a dedicated **Management Consulting** team that helps companies to **transform beyond technology** . We operate **across industries** and tackle the needs and challenges of different stakeholders, helping them to transform their function, their team, their strategy and ultimately, their business model. We leverage our **expertise** to improve business performance and grow world-class capabilities.

This is a **growing practice** within delaware, with lots of opportunities for you to shine in projects!

Just so you know: delaware has its offices in Antwerp, Ghent, Kortrijk, Lummen, Liège and Wavre, but we also spend a lot of time working together with our customers on-site.
