

Litigation and Regulatory lawyer

[Apply Now](#)

Company: Euroclear

Location: Belgium

Category: other-general

Division

We are the Legal Division of the Euroclear Group holding company. A dynamic team of lawyers with a great team spirit!

Responsibilities will be to provide legal advice and support on a wide range of matters, including:

Corporate & regulatory matters (regulatory analysis in particular in regard to corporate governance, AML, UN/EU/OFAC sanction programs and embargoes etc), that impact and relate to settlement services.

Having experience in a post-trade environment is a plus.

Disputes, (potential) claims and litigation, investigations and regulatory issues. You will lead and participate to all phases of the case, from initial case assessment, investigation, and gathering of documentation to drafting responses to queries, reviewing draft pleadings, following up court cases, reviewing possibilities of settlement. While doing so you will closely collaborate with business clients, risk colleagues, other lawyers and external counsel.

A good knowledge of the financial industry is a must.

Role:

As a litigation lawyer, you will:

Assist the business in pre-litigation phase: advise and assist in the identification of a blocking issue and resolution of potential conflicts, claims and reputational issues.

Assist with drafting answers to queries / claims, resolving potential liability, advising on

mitigating actions, advising (internal) clients and management on the legal merits;

Co-Ordinate the fact finding, gathering of relevant documentation and ensure follow up with outside counsel;

Review draft pleadings and summons, following up on court cases with outside counsel

Report to senior management on legal risks presented by investigations and issues and advising on an appropriate strategy

Closely handling and supervising outside counsel on all aspects, ranging from legal strategy to budget

As a regulatory lawyer your tasks will include:

Advise(internal) clients and management on the legal framework;

Prepare regulatory impact analysis on practical use cases;

Detailing the services offered by Euroclear vis-à-vis clients, counterparts, service providers, other Euroclear group entities;

collaborating with the lawyers of the Legal Division within all entities of the Euroclear Group . Close partnership with internal business teams from corporate secretariat, compliance, product management, operations, etc.

.

Technical skills:

We are looking for a Belgian qualified lawyer:

With minimum 5 years of confirmed experience in litigation preferably in a law firm (specialized in the financial sector) or as in-house counsel of a bank, broker or other financial institution;

Significant experience in handling internal investigations and complex litigation and regulatory enforcement matters

Knowledge of Belgian law and market practices in the financial world

Proficient in French or Dutch or German and English

Soft skills:

We value the below:

Excellent interpersonal skills in order to optimally interact with business partners, risk partners, outside counsel

Attention to detail and analytical

Pragmatic, risk aware and capable to take initiatives

Flexible and proactive

Able to deliver high quality support consistent across jurisdictions, in a timely, pragmatic, cost efficient and effective fashion, and to build a proven understanding of the business of the Euroclear Group.

Patiently defending own opinions or interests in any professional circumstance
(assertiveness)

Expressing well-founded opinions and positions and understanding their consequences
(judgement)

Acquiring approval of others with good arguments, appropriate influencing methods and a certain “natural authority” (persuasion)

Acting with consideration of the dynamics in the organization (organizational sensitivity)
