## Logistics Business Consultant for Microsoft Business Central

Microsoft, supply chain & operations, lot of experience, consultant Belgium share on How many companies can you think of where you're actually encouraged to walk around with your head in the clouds? Probably not many – but we're one of them! The cloud is where our delaware Microsoft Business Central consultants feel most at home, and rightly so. Nevertheless, we also have our feet planted firmly on the ground.

At delaware, our team is a bit like the new kid on the block. You'll be part of a fairly new and young group of cloud lovers – a squad that you'll be a great addition to as a Logistics Business Consultant.

Do you want to be involved in a wide range of **innovative Microsoft projects** and take our own objectives and those of our customers to the next level? Read on, then!

**Apply for Logistics Business Consultant for Microsoft Business Central!**

**Thank you for your application.**

**We will get back in touch with you soon! Have a great day!**

read our stories

## What will you be doing as a logistics business consultant for Microsoft Business Central?

Together with the customer, you'll find the best solutions to cover their **end-to-end operational processes, like supply chain, procurement, planning, sales, production processes** .

Most of your assignments typically fall between **4 – 12 months** , and each project is as unique as the delaware team tasked to tackle it.

First, you'll set up a **prototype** of the customers' key processes in the Microsoft Business Central system. Then, you'll help users to get the most out of their **new environment** by supporting them through the different phases of the implementation, up until the **go-live** . Once live, you'll provide after-care support.

By implementing Microsoft Business Central, you'll allow our customers, **mid-size companies** , to focus on what matters – making them unique within their given market.

Microsoft Business Central implementations follow a **fit-to-standard** approach and have a more limited project duration. This means you'll have the opportunity to work on **multiple projects** , each with **shorter lead times** . Because variety is key!

The **communicative** consultant you are, you support our Sales colleagues in various **presales** projects

Experienced in **project management** or interested in a deep dive? There are plenty of opportunities to demonstrate or build these skills.

delaware has its offices in **Gent, Antwerpen, Wavre, Kortrijk, Lummen, Liège and Bertrange (LUX)** . You'll either work from one of these, surrounded by your colleagues, or meet with your customers **onsite** , who'll appreciate the close cooperation.
