Company: Philip Morris International

Location: Belgium

Category: computer-and-mathematical

Be a part of a revolutionary change. At Philip Morris International, we've chosen to do something incredible. We're transforming our business and building our future on smoke-free products with the power to deliver a smoke-free future. With huge change, comes huge opportunity. So, wherever you join us, you'll enjoy the freedom to dream up and deliver better, brighter solutions and the space to move your career forward in endlessly different directions. Our company's key stakeholder constituencies, which are fundamental to both the achieving of its purpose and to the pace of its progress, will be affected in different ways by Philip Morris International's transformation. External Affairs at Philip Morris International is a team that provides professionals with opportunities to jointly achieve the ambitious goals our company has set itself. We need talented people who are also excited by our sense of purpose to help expand our advocacy towards legislators, civil society, interested 3rd party stakeholders, national governments, and public policymakers. Join us and use your policy skills for good: to transform our business and build a smoke free future we are currently looking for a Manager ESG Policy, based in Brussels (Belgium), to join our Global External Affairs team. In this role, you will be contributing to the development and coordination of our company's overall policy and engagement related to ESG regulation. Key Activities:•Contribute your experience and knowledge in the area of regulatory frameworks to promote sustainability.•Contribute with your knowledge of institutional and legislative processes to the development of corporate ESG strategies with regards to ESG regulation.•Support the development of key strategic positions on ESG policy (e.g. data analysis, reports, advocacy materials, policies toolbox, presentations, etc.)•Coordinate with

relevant departments within the company (e.g. experts on Sustainability, Product Development and Manufacturing, Consumer, Commercial, etc.) in preparation to developing the optimal ESG policy position with regards to regulatory proposals.

- Coordinate analysis and impact assessment of legislative policy proposals, reports and studies by European institutional stakeholders and other industrial policies relevant to the company
- Directly lead and support the engagement with stakeholders from industries, key 3rd parties, business associations, consultancies and EU institutions.

Desired Profile:

- Bachelor or master's degree in Political Science, Public/Gov. Policy, European Affairs, Business Management, Law, or related fields
- Related work experience (8 years +) in Regulatory/Gov/Corporate Affairs (FMCG companies, EU institutions or consultancies) in highly regulated products
- Experience on the environmental, social and corporate governance policy (ESG) area a must
- Experience with business associations or EU institutions a plus
- Understanding/experience of the interplay between policy & politics in the EU legislative process a plus
- Ability to develop and prepare position papers, advocacy materials and executive-level presentations that are impactful
- Excellent writing and communications skills
- Good understanding of interplay between business and ESG matters
- Ability to analyze issues and develop logical, customer-centric solutions, and distill into a concise, comprehensible, and impactful narrative
- Ability to manage complexity and collaboration with numerous cross-functional teams
- Strong interpersonal skills, analytical skills, team working, agility, resilience, outcome orientation

What we offer

Our success depends on the men and women who come to work every single day with a sense of purpose and an appetite for progress! Join PMI and you too can:

- Seize the freedom to define your future and ours. We'll empower you to experiment and explore. Be part of an inclusive, diverse culture, where everyone's contribution is respected; collaborate with some of the world's best people and feel like you belong. Pursue your ambitions and develop your skills with a global business – our staggering size and scale provides endless opportunities to progress.
- Take pride in delivering our promise to society: to deliver a smoke-free future.
