Grow within our future-led businesses, our diverse and vibrant culture and find a place where you simply belong. All to leave your mark for more sustainable growth.

Dare to make an impact?

YOUR ROLE

The Site Automation Coordinator will ensure the operation of the installed automation systems. Compliance with the local Operational Technology (OT) cyber security strategy, closure of security gaps and management of the OT network is their responsibility. They manage and supervise the technical implementation of advanced (Industry 4.0) and digital solutions within the production site.

Long-term planning, implementation and management of projects in the specific work area of electrical automation/digitalization.

Ensuring maintenance and service of the installed hardware and software in the OT environment.

Identification and closure of security gaps, as well as managing the OT network.

Contribution and implementation of the OT cybersecurity strategy at the site.

Implement the technical requirements of advanced (Industry 4.0) and digital solutions (e.g. Process Historian/Analytics; Industrial Internet of Things) for manufacturing improvements.

Be the solution partner for automation-related matters from production and continuous improvement.

Solution partner for automation-related matters from production and continuous improvement.

YOUR PROFILE

Bachelor degree in Electrical Engineering, Automation, or equivalent in terms of experience.

2-6 year proven solid experience in a similar position, preferably within a manufacturing environment.

Advanced knowledge of English, French and/or Dutch both written and spoken.

PCS knowledge and extensive programming experience.

Awareness and knowledge of OT security.

You are solution oriented and consider yourself a team-worker.

You have experience in project management.

You are willing for continuous education in the area of automation and OT security.

At Henkel, we come from a broad range of backgrounds, perspectives, and life

experiences. We believe the uniqueness of all our employees is the power in us. Become part of the team and bring your uniqueness to us! We welcome all applications across different genders, origins, cultures, religions, sexual orientations, disabilities, and generations.
