Job Description

: Mars Sales Representative – Graduate Role Join Mars Belgium as a Sales Representative Today and develop through real, fast-tracked roles, the capabilities of a leader of Tomorrow. Join Mars Belgium as an Associate and shape a more prosperous future - for your community, for the planet and for yourself. From the moment you come aboard you'll find near-endless opportunities to pursue your passions, take on new challenges and explore our diverse business. You will work with great managers, supportive mentors and fellow Associates who will help you bring your ideas to life. At Mars, your tomorrow starts today Who are we looking for? You hold a Master degree and are eager to start your career in sales to quickly evolve into sales or marketing management? You have high learning agility, advanced analytical skills, entrepreneurial spirit and speak Dutch, French & English? Join us in September 2024 and start the career that is a perfect fit for you! **Start as a Sales Representative** By joining the Sales Team at Mars Belgium (HQ in Zaventem) you will represent our beloved brands at a high standard & developing the preferred supplier image of the company in grocery stores. You will be reporting to a Field Manager who will mentor you to ensure you succeed in your role and develop from day one. You can expect taking on responsibility fast to grow the business by building strong and mutual relationships with your clients. **What's in it for you?** As a Young Talent you will benefit from a strong onboarding plan and get the mentoring from experienced senior managers. You can expect tons of development opportunities , including global training from the Mars University. We consider this Graduate Role as an entry

position. After a first experience as a sales representative you will be prepared to take on your next role in sales, marketing or category management in line with your personal interests and strengths. We provide a **competitive salary and package** i.a: car, iPhone, healthcare insurance. **Make today count, apply now!**

Testimonial Meet Lies G. (26y) “After graduating from KU Leuven, I joined Mars as Sales Representative. This first job experience was the perfect way to get to know everything about the products & the retailer landscape we’re operating in. One year later, I moved to the office as Field Operations Coordinator, where I was working with the field managers and other stakeholders to ensure the smooth running of our field force. After 2 years in sales, I grabbed the opportunity to **broaden my business scope** and take on a new challenge in Supply Chain as Demand Planner Chocolate. What I love the most about Mars is its **diverse pool of fun & intelligent Associates** and its agility in the FMCG sector. Since **personal development and engagement** are at the core of Mars, our Associates are highly encouraged to **take full responsibility of their own career path**. If you are also eager **kick-start your career** in the FMCG world and get lots of different experiences, you should certainly apply for this Graduate Role!” Mars is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law. If you need assistance or an accommodation during the application process because of a disability, it is available upon request. The company is pleased to provide such assistance, and no applicant will be penalized as a result of such a request.
