

Medior D365 F&O Consultant

[Apply Now](#)

Company: TMF Group

Location: Belgium

Category: computer-and-mathematical

About TMF Group

TMF Group is a leading provider of critical administrative services, helping clients invest and operate safely around the world. We provide legal, financial and employee administration through TMF Group's teams in 120 offices.

About the role

TMF Group has implemented Microsoft Dynamics in 30+ of its offices across EMEA and is due to upgrade and implement now D365 FO in 87 geographies in the course of the next few years. Also, TMF is due to upgrade Client Accounting business to Microsoft D365. As D365 F&O Consultant you will participate in various projects related to D365 F&O Program, as well as Client Accounting upgrade and provide 3rd level support across our global organization when required.

The D365 Functional Consultant will be part of our global team of specialists, with key responsibilities which include but are not limited to:

Implement D365 FO and/or D365 CA across multiple locations;

Liaise with business stakeholders including managing director level;

Present the ERP core solution to Client Management, local offices, IT representatives etc.

Identify and document key requirements and design new solutions or customizations;

Perform analysis, system design, setup, data conversion, user acceptance testing and key user training;

Work with different groups in the project - specialist users/end users, business analysts, regional and central management and developers;

Deputies in team leadership where required.

Key requirements:

Minimum of 2 years relevant working experience as D365 consultant in the Finance and Project modules;

In-depth knowledge of the D365 Finance modules including related data dictionary, system documentation, forms, class objects and D365 object naming conventions;

Advanced financial accounting knowledge would be an advantage;

Knowledge about EU VAT requirements and mechanisms and able to setup AX Sales tax accordingly;

Good Technology knowledge i.e. MS Office, ERP systems;

Excellent written and verbal communication skills;

Excellent communication skills coupled with ability to liaise with stakeholders on a global scale through multiple communication channels;

Accurate, precise and able to work under pressure;

Organized, disciplined and with hands-on attitude;

Team player

What's in it for you?

Pathways for career development

Work with colleagues and clients around the world on interesting and challenging work;

We provide internal career opportunities so you can take your career further within TMF;

Continuous development is supported through global learning opportunities from the TMF Business Academy;

Making an impact

You'll be helping us to make the world a simpler place to do business for our clients;

Through our corporate social responsibility programme, you'll also be making a difference in the communities where we work;

A supportive environment

Strong feedback culture to help build an engaging workplace;

Our inclusive work environment allows you to work from our offices around the world, as well as from home, helping you find the right work-life balance to perform at your best
