Medior SAP Finance Consultant

SAP, finance, some experience, consultant Belgium share on

You're an experienced SAP FICO consultant with a passion for helping **finance professionals** make the most out of their day-to-day jobs.

You make **SAP implementations** (both on premise and in the cloud) a success by thoroughly **analyzing** a company's financial processes and **listening** carefully to figure out what customers really need. You use your business knowledge and SAP expertise to question, explore and co-create new **financial processes** together with the customer.

You're open, knowledgeable, and take on a **pragmatic** and transparent approach when it comes to finance and controlling requests. You put your **previous experience** in finance to excellent use to serve your clients. Are you ready to **guide our customers** through their finance journeys?

Who are we?

We are the delaware **SAP Finance & Business Controlling team** agile team of finance and controlling specialists. We strive to provide high-quality, integrated and automated solutions for small and medium-sized businesses, but also for multinationals. Our ultimate goal is to guide customers towards the best practices in finance, make finance & controlling **more efficient** and support the CFO office in tackling any (technical) challenges they may have.

We're a bit of a pioneer when it comes to **SAP S/4HANA** While we still support customers who use SAP ECC, we use S/4HANA in all of our new projects (both greenfield implementations and migrations). So with us, you're certain to be involved in a wide range of **innovative** SAP FI/CO projects!

We pride ourselves on being finance and controlling **experts** . Whether you want to become a pro in project delivery, collection management, tax, planning, service ticketing or presales – **there are plenty of directions to grow into**. Together we'll discover where your strengths lie. Collaboration and knowledge-sharing are essential to our team. We're committed and incredibly resourceful: no matter how complex the matter, together, we can solve it. Just so you know: delaware has its offices in **Antwerp, Ghent, Kortrijk Lummen, Liège** and **Wavre**, but we also spend a lot of time working together with our customers on-site.
